About Sindhi Language

Sindhi Language comes from the family of Indo-Aryan Languages. Sindhi language is used by natives of Sindh Province. Though Sindhi is today state of Pakistan, but Sindhis are spread across the world and still use Sindhi to speak, read & write. Sindhi is today official language of Pakistan and India. During independence and partition of India (1947) most of Hindu Sindhis choose to live in India or other countries because of uninhabitable conditions in native land.

Sindhi Scripts Confusion

Sindhi was written in 4 different scripts during the British Rule.

1. Devanagari
2. Gurumukhi / Landa
3. Hatwanki / Khudabadi
4. Perso-Arabic

In Year 1853 British Government standardized the Sindhi script to Arabic as it was becoming difficult for them to keep track of accounts and taxes. Since it is 3rd or 4th generation of Sindhis who are disconnected from the nativeland, usage of written Sindhi has reduced. In recent years many have adopted Sindhi Roman script.
