### The Awaited Name of The Lord

Ra

Riaz

Ya Riaz

(RIYADH)

## To receive The Spirit of The Holy Name.

Close your eyes and put your hand on your heart. Try to feel your heartbeat and then say (seven times)

Ya Riaz, Ya Riaz, Ya Riaz, Ya Riaz, Ya Riaz, Ya Riaz, Ya Riaz, and then blow on your heart.

Repeat this meditation as often and as many times as you like.

The Lord is most merciful and most kind, and will shower his love on the pure of heart.

## An introduction to this book

1. If you follow a religion but are devoid of the Love of God, then those that do not follow a religion but have the Love of God are better.

2. Love is connected to the heart. When the Name of God *Allah* is synchronized with the heartbeat, it then travels through the blood to all the veins, reaches the spirits and awakens them. Then the spirits are rejuvenated and go into the Love of God.
3. Any Name of God in any language is worthy of respect but the original Name of God in the Semitic language is *Allah*. This (Semitic) is the language of the celestial entities. It is by this Name that the angels call upon God and it is attached to the Title of every Prophet.
4. Any individual who is sincerely searching for God, on land or in the sea is also worthy of respect.
5. Many Adams came into this world, all at the same time but in different places. All the Adams were created in the world, with clay from this world except the last Adam who is buried in Arabia. He was the only one made in paradise, with clay, which was also from paradise. With the exception of this Adam the angels did not bow down before any other Adam. Satan became the enemy of the descendants of this Adam.
6. There are seven types of entities in the human body. These are connected to different celestial spheres. They are connected to different heavens and are further connected with different functions within the human body. If these entities are strengthened with light they then resemble the person they are in and travel to many places at the same time. They can travel to the gatherings of Saints and Prophets and even talk to God and see God.
7. Every human being has two religions. The first is the religion of the body, which ceases to exist after death. The second is the religion of the soul, which has existed since the beginning of time, the Love of God. It is by this religion that a human being is exalted.
8. Superior to all the religions is the Love of God and superior to all types of worship is seeing God.
9. For information pertaining to the origin of man, the animal, plant and natural world.
10. What type of entities existed before the command of God "Be" Who is the dog that was exalted as *Hazrat Qutmeer* and will go to paradise? Who are the people who affirmed their faith at the beginning of time?

Who is that person whose secret (reality) cannot be found in this book? For information and research you must read this book.
